# Court Tile

---

Derived from the words "Versatile" and "Court," VersaCourt systems have lived up to their name. The dynamic and colorful appearance combined with its inherent safety, maintenance and performance characteristics make VersaCourt an obvious choice for all types of sports surfacing.

Whether you are a homeowner looking for a backyard basketball court or a school facilities manager requiring a more kid-friendly surface, VersaCourt employs an innovative, centralized design and construction process that improves quality, lowers cost and streamlines installation.

# Why Choose VersaCourt?

## Customers Come First Philosophy

The secret to a long-lasting court lies in expert design, service, and installation. Our promise is to deliver everything needed before, during, and after installation to keep your court performing for years to come.

## Custom Courts Built Just For You

Let us custom design a court just for you... any size, any color combination, any game, any logo, **everything you want**. When you work with VersaCourt, you will work with our in-house designers to get a custom solution that fits your backyard, activities and budget.

## Made In The USA

We are proud that all of our surfacing options are made right here in the USA.

## The VersaCourt Difference

Every VersaCourt order is fully assembled in our warehouse and all requested lines and logos are pre-painted by our team of professionals in a controlled environment to ensure accuracy and longevity. We then number each section, disassemble the court, and pack the tiles according to a labeled diagram.

This process makes your VersaCourt DIY installation a breeze. Once your custom VersaCourt arrives on-site just follow 7 easy steps to install.

View our installation cross sections and watch our videos at [versacourt.com/videos.html](https://www.versacourt.com/videos.html)

# 7 Premium Tiles To Choose From

## Attractive Appearance

With numerous standard color and line options, VersaCourt Tiles are used to create eye catching surfaces that transform backyards, schools and other facilities.

## Long Lasting

VersaCourt Tiles are constructed utilizing a durable polypropylene material that is resistant to cracks and fractures. VersaCourt Tiles have a 25-30 year structural life expectancy.

## Easy to Maintain

Unlike concrete courts that crack or wood gym floors that require regular polishing and periodic refinishing, VersaCourt Tiles require minimal maintenance. They can be cleaned with a leaf blower or garden hose.

## Safe

Our shock absorbing plastic tiles feature expansion joints and a spring tabbing mechanism that allows side-to-side movement and forgiveness on joints and lower back.

## Quick Assembly

Fast and easy installation

## Cooler

VersaCourt is up to 50% cooler than asphalt or concrete surfaces

## Multi-Use

Utilize one location for multiple sports or events

## Year Round Usability

Durable all-weather sport surface with a fast-drain, open-grid design

# Game Outdoor Sports

- 
**Athlete Protection**  
 Lower back, knee, and joint forgiveness for players
- 
**Resilient Material**  
 Specially blended material stands up to harsh weather & high intensity play
- 
**Toughest Locking System Available**  
 Patented locking system ensures a strong connection and eliminates gaps
- 
**Limited Lifetime Tile Warranty**  
 We earn our customers for life with the industry's best and most clear warranty

## Product Specs

**Size & Weight** – 10.13" x 10.13" x 3/4" thick, 7 oz.

**Surface Texture** – Open grid design provides a high grip surface in all weather conditions.

**Material** – Specially blended high impact copolymer polypropylene. UV stabilizer and anti-oxidant additives are molded into each tile to ensure protection against color transition, plastic deterioration, and oxidation.

**Support Structure** – Each tile is supported by 155 cross posts. This provides a stable base and gentle vertical flex.

Components are not drawn to scale.

# Pickleball Performance

Outdoor Sports

## PLAYRIGHT™ TECHNOLOGY

- 
**Maximum Ball Bounce**  
 Designed with PlayRight™ technology for a consistent ball bounce
- 
**Superior Comfort and Safety**  
 Easy on the body and joints
- 
**Customizable options**  
 Customize the floor with your company's brand colors and logos

## Product Specs

**Size & Weight** – 10.13" x 10.13" x 3/4" thick, 7.68 oz.

**Surface Texture** – Open grid design provides a high grip surface in all weather conditions.

**Material** – Specially blended high impact copolymer polypropylene. UV stabilizer and anti-oxidant additives are molded into each tile to ensure protection against color transition, plastic deterioration, and oxidation.

**Support Structure** – Each tile is supported by 155 cross posts. This provides a stable base and gentle vertical flex.

Components are not drawn to scale.

# Active

Outdoor Sports

- 
**Athlete Protection**  
 Lower back, knee, and joint forgiveness for players
- 
**Two-Tone, Checkerboard Look**  
 The unique, cross-directional design of the Active court tile allows you to create striking courts with a two-tone, checkerboard look.
- 
**"Drive-on" Durability**  
 Designed and manufactured to withstand up to 60,000 lbs of rollover weight and a compressive strength of 2500 psi.
- 
**Limited Lifetime Tile Warranty**  
 We earn our customers for life with the industry's best and most clear warranty

## Product Specs

**Size & Weight** – 15.75" x 15.75" x 0.63" thick, 1.3 pounds

**Surface** – Precision engineered with an open profile design and ¼" built-in, self-draining channeling system for maximum performance.

**Material** – Specially blended high impact copolymer polypropylene. UV stabilizers are mixed into the materials and color pigments protecting against color transition and making them non-slip.

**Construction** – Made in America using a 4-point injection mold with 24 connectors that yield a consistently flat and functional surface.

Components are not drawn to scale.

# Boost Outdoor Sports

- ✓ **Athlete Protection**  
 Lower back, knee, and joint forgiveness for players
- ✓ **Resilient Material**  
 Specially blended material stands up to harsh weather & high intensity play
- ✓ **Enhanced Surface and Locking System**  
 Designed for exceptional skate performance, water drainage, and vehicle use
- ✓ **Limited Lifetime Tile Warranty**  
 We earn our customers for life with the industry's best and most clear warranty

## Product Specs

**Size & Weight** – 12" x 12" x 1/2" thick, 7 oz.

**Surface Texture** – Engineered design provides superior grip while allowing for maximum drainage.

**Material** – Specially blended high impact copolymer polypropylene. UV stabilizer and anti-oxidant additives are molded into each tile to ensure protection against color transition, plastic deterioration, and oxidation.

**Support Structure** – Superior 6 point locking system ensures a strong connection.

# Compete

Indoor and Multipurpose

- 
**Patented Surface Profile**  
 Surface relief provides excellent grip, Diffuser Stars dampen sound and allow for water evaporation
- 
**Resilient Material**  
 Durable and scuff-resistant – perfect for high-traffic applications
- 
**Precision Locking System**  
 Creates a seamless, monolithic appearance
- 
**17-Year Tile Warranty**  
 We earn our customers for life with the industry's best and most clear warranty

## Product Specs

**Size & Weight** – 9.825" x 9.825" x 1/2" thick, 12.1 oz.

**Surface Texture** – Profile texture design to maintain a positive grip at all times even when damp, while enabling volleyball slides and reducing the visibility of scratch marks and smudge marks.

**Material** – Specially blended high impact copolymer polypropylene creates less rigid fall surface.

**Installation** – Optional 2mm rubber underlayment increases shock absorption, provides a comfortable feel for running and jumping while dampening running or rolling noises.

Components are not drawn to scale.

# VersaBase

Outdoor Sports

## PLAYRIGHT™ TECHNOLOGY

- 
**Maximum Ball Bounce**  
 Designed with PlayRight™ technology for a consistent ball bounce
- 
**Maximum Drainage**  
 Permeable design allows for moisture to drain meeting most county codes of ordinance
- 
**Economical Choice**  
 Most cost-effective option compared to pouring concrete or asphalt

### Product Specs

**Size & Weight** – 24" x 24" x 1" thick, 8.06 pounds

**Surface Texture** – Open grid design with 7/8" built in, self-draining channeling system.

**Material** – Specially blended high impact copolymer polypropylene creates less rigid fall surface.

**Installation** – Optional 2mm rubber underlayment increases shock absorption, provides a comfortable feel for running and jumping while dampening running or rolling noises.

Components are not drawn to scale.

# Wood-Grain

Indoor and Multipurpose

- ✓ **Athlete Protection**  
 Lower back, knee, and joint forgiveness for players
- ✓ **Resilient Material**  
 Specially blended material stands up to high intensity play
- ✓ **Enhanced Surface and Locking System**  
 The tile interlocking system is designed to allow for thermal expansion and contraction without causing the surface to buckle. It also provides the player with lateral forgiveness
- ✓ **15-Year Warranty**  
 We earn our customers for life with the industry's best and most clear warranty

## Product Specs

**Size & Weight** – 12" x 12" x 1/2" thick, 1.15 lbs.

**Surface Texture** – Specially designed flat top provides a high grip playing surface. NOTE: Plastic Wood-Grain tiles can become slippery when moisture is present on the surface.

**Material** – Specially blended high impact polypropylene copolymer tray to insure protection against plastic deterioration. Commercial grade vinyl inlay adheres to the tray.

**Installation** – Manufacturer recommends a 2mm rubber underlayment be used between tile and subsurface (concrete slab).

Components are not drawn to scale.

# MegaSlam Basketball Goals

## MEGASLAM Hoops

VersaCourt is the exclusive partner of MegaSlam Hoops and their multi-tiered line of high-performance residential basketball goal systems. Every MegaSlam goal system is proudly made in the USA, and offers exceptional performance, durability and limited lifetime warranties to match the high-quality construction of your VersaCourt solution.

- Choose from two distinct MegaSlam goal systems
- Adjustable goal systems featuring: 60" and 72" backboards
- Exceptionally durable steel construction

1

### 5-Gauge Strong Steel

Our 5-gauge super-rigid steel thickness allows for a rock-solid game with little shaking or swaying. Double the thickness vs. brands sold at big box stores.

2

### All Season Protection

Every MegaSlam Hoop comes ready for scorching summers, rainy springs, and frozen winters with hot-dipped galvanized steel and stainless-steel hardware.

3

### Pro Backboard

A regulation ½ inch thick glass backboard provides maximum ball response. You also see clean looks through the unobstructed clear-view backboard design.

4

### Easy Height Adjustment

The MegaSlam lowers from 5' to 10', so players of all sizes can dunk all day long.

## Our Most Popular Kits

Pre-configured court kits are available in 37 standard sizes or work with our in-house designer for a custom court to fit your space.

# We've Got Your Back

VersaCourt manufactures, designs and delivers innovative courts.

Then we back our products with a lifetime of warranty solutions.

VersaCourt wants you to be a customer for life and we plan to achieve this by providing you the highest quality products and the industry's best and most clear warranty. Our desire is that when you place your faith in us you will have a worry-free recreational surface for years to come. That's why we have invested heavily in state-of-the-art injection molding equipment and control all aspects of manufacturing in every tile we sell. Also, we have partnered with the best automotive additive suppliers to ensure our UV stabilizers and other proprietary additives will provide our products with the longest life possible.

As an added benefit to our customers we offer the best warranty in the business.

**COACH CHASE SKINKIS**  
*Project Pure Athlete*

I couldn't be happier with my Versacourt purchase. The team made the process of designing a great looking court simple. More importantly, it performs like a freshly cleaned indoor court. The way the ball bounces, the court feel, and the grip all exceeded my expectations.

**PAUL FABRITZ**  
*CEO PJP Performance*

Working with the VersaCourt team has been not only extremely smooth but also enjoyable. The ability to completely customize our court, while also knowing that our athletes will be safe because of the good grip is also a huge plus. Installation was a breeze, and the aesthetics of the court are **100**.
